The EUT described above has been tested by us with the listed standards and found in compliance with the council LVD directive 2014/35/EU.

## Standards:

**EN 62368-1:2014+A11:2017**

It is possible to use CE marking to demonstrate the compliance with this LVD Directive. The referred test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the above listed EU Directive(s). Other relevant Directives have to be observed.

After preparation of the necessary technical documentation as well as the conformity declaration, the CE marking as shown below can be affixed on the equipment.

Manager:   
Date: Sep. 24, 2020

**Remark:** This Certification of Conformity is based on a single evaluation of the submitted sample(s) of the above mentioned product. It does not imply an assessment of the whole product and relevant directives have to be observed.
